From the Teacher's Desk

Parents,

What a wild beginning of the year! I am thankful that Virginia Beach is safe and we are able to get back to school. I hope you enjoyed the extra days with your child. This is SUCH a sweet and fun age to be around!

We are working hard in class to practice our routines and procedures. We are learning how to use the seats in the room, how to use our Chromebooks, and how to do centers. We're learning A LOT!

Each week I will send a newsletter home giving you an idea of what we are learning in class. The newsletter can stay at your house or you can leave it in your child's Daily Folder until the week is over. If you ever have any questions, please feel free to e-mail me or call me. I am looking forward to working with you this year!

Thank you,
Sarah Borges

REMINDERS

Please make sure your child has headphones at school. We use them multiple times a day.

Sign up to get notifications from me using the Remind app. You can join by visiting this link:

<https://www.remind.com/join/borges20>

Please send a note with your child if there are transportation changes.

A Peek at Our Week

Math

We are working on counting to 120 and counting backwards from 30. At home, practice counting using objects, writing the numbers, and counting orally.

Reading

We are working on identifying characters, setting, and sequence of events. As you're reading with your child have him identify the characters and have them retell the story.

Writing

We are working on writing complete sentences using correct spacing, capitalization, and punctuation.

S.S.

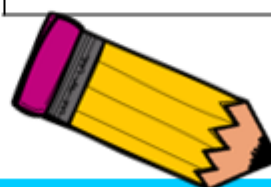

We are working on citizenship. We are learning about what it looks like to be a good citizen in our community.

OTHER

We are working on learning how to use our Chromebooks in class. Help your child practice his/her lunch number at home. We use this on the computers as well.
